

**dagger (†)**  
Indicates a word or sense is obsolete

Indicates first recorded use,  
or range of first and last usage  
e.g. **ME** Middle English  
**IME-m18** late Middle English to mid 18<sup>th</sup> century

**Homonym number (e.g. 1, 2)**  
Indicates different words  
with the same spelling

**Major semantic divisions  
(e.g. I, II)**

**Sense number (e.g. 1, 2)**

**Illustrative quotation**

**Subsense (e.g. a, b)**

The screenshot shows the WordWeb Pro interface for the word 'mop'. The left sidebar lists related words, and the main pane shows the dictionary entry. Annotations include:

- A box pointing to the dagger symbol (†) in the entry header: "Indicates a word or sense is obsolete".
- A box pointing to the date range "IME-m18": "Indicates first recorded use, or range of first and last usage e.g. ME Middle English IME-m18 late Middle English to mid 18<sup>th</sup> century".
- A box pointing to the homonym numbers "1, 2": "Indicates different words with the same spelling".
- A box pointing to the major divisions "I, II": "Major semantic divisions (e.g. I, II)".
- A box pointing to the sense numbers "1, 2": "Sense number (e.g. 1, 2)".
- A box pointing to the illustrative quotation "Mrs. Mop": "Illustrative quotation".
- A box pointing to the subsenses "a, b": "Subsense (e.g. a, b)".
- A box pointing to the music symbol (🎵): "Click music symbol to hear audio pronunciation".
- A box pointing to the text "mophead": "Click text pronunciation to see pop-up key".

**Usage date abbreviations:**

<b>e</b> early	<b>IME</b> late Middle English
<b>l</b> late	<b>IOE</b> late Old English
<b>m</b> mid	<b>ME</b> Middle English
(e.g. <b>e18</b> early 18 <sup>th</sup> century)	<b>OE</b> Old English

Note: the screen shot shows WordWeb Pro for Mac when both WordWeb Pro and the Shorter Oxford English Dictionary apps are installed. If you do not have WordWeb Pro the WordWeb tab will not show.
